Laird, Schober & Co.'s are practically the only women's fine shoes in the country. They are unequalled in any respect—but especially in daintiness of style, flexibility and ease to the feet, and superb fitting qualities. Queen Quality Oxfords are pre-eminent among medium-price shoes—especially in the point of comfortable fit, and we carry a large enough variety in both lines to insure a pleasing selection and perfect fit.

ANOTHER "DIDN'T KNOW IT WAS LOADED" FOOL.

On Saturday a young farmer by the name of J. N. Wheat, living on the Lawrenceburg pike, after snapping a 22 rifle several times, unluckily pointed it at his wife, who was standing near, and, as usual, the gun went off, inflicting a painful wound in Mrs. Wheat's neck, the ball ranging down and lodged under the shoulder blade.

Dr. U. V. Williams was summoned, located the ball and dressed the wound. He does not think, on account of the diminutive ball, there will be any serious result.

Wheat was nearly distracted over his foolish conduct.

SPLENDID GENTLEMAN HONORED.

Hon. D. L. Thornton, the able and upright lawyer, of Versailles, was elected President of the State Bar Association, at Covington, last week. This is a well earned honor conferred upon one of the purest and best men among the members of that honorable body. The Association honored themselves in honoring Mr. Thornton.

COUNTY TAX RATE FIXED.

The fiscal court fixed the county tax rate at 60 cents on the \$100, on Tuesday, to be distributed as follows: 18 cents ordinary expenses; 15 cents for sinking fund; 12 cents repairs turnpike, bridges, etc.; 5 cents new courthouse fund; 10 cents for payment of interest and redemption of Ky. Midland R. R. bonds.

The poll tax remains at \$1.50.

LITTLE ONES HAD OUTING.

The Cradle Roll and Infant Classes of the First Baptist Church Sunday-school had an outing at Cove Spring Park on Tuesday. The day was ideal and the little ones had a grand time.

"WOODMAN SPARE THAT TREE."

On Tuesday Judge Hosbon refused to grant the motion to dissolve the restraining order, granted by Judge Stout, forbidding the Street Railway Co. from cutting down the trees in front of the city buildings. Score a victory for the Board of Education.

A NICE AFFAIR.

A leap year hop was given by the young people, at Y. M. I. Hall, on Saturday night last. The fun was kept up until 12 o'clock. It was a very enjoyable affair.

CUTTING SCRAPE IN SALOON.

On Monday morning at 5 o'clock, two young men by the names of Lambert Brawner and Price Bromley became involved in a difficulty in the saloon of Rogers & Semones, in "Craw," in which young Brawner cut Bromley four times with a knife, once on the left breast over the heart (a very dangerous wound) and three times in the side.

The trouble arose, so it is said, over a broken pane of glass in the saloon.

The wounded man was taken to the residence of his brother-in-law, Mr. Walter Merchant, after Dr. E. E. Underwood and Dr. J. S. Demaree had dressed his wounds.

Brawner was lodged in jail to await the result of Bromley's wounds.

LAUNCH WRECKED AND MAN DESPERATELY HURT.

On Saturday the gasoline launch used by the Kentucky River Poplar Co. to tow logs to their sawmill, was wrecked, about two miles above the city, by the engine exploding, blowing out the cylinder head and otherwise damaging it.

Mr. Will Fallis, of this city, had his left leg broken in two places and otherwise mangled and a piece of iron blown through the right leg.

The other men on the launch escaped injury as by a miracle.

Fallis was brought to this city and Dr. O. B. Demaree summoned.

The doctor dressed the injuries as well as possible that evening, and he was carried to his home. It was thought by the physicians that amputation was necessary, but Fallis would not consent to it.

EXCURSION TO CINCINNATI LAST SUNDAY.

There was a fairly good crowd on the excursion to Cincinnati, by way of the L. & N., on Sunday last. En route quite a good crowd were taken on board. On the return trip the train reached here at 1 o'clock Monday morning.

BECAME UNRULY ON TRAIN.

One Jim Bell, a convict, en route to the pen from Georgetown, became unruly on the F. & C. train, on Monday, and the officer in charge had to club him into submission. It seems that his friends had slipped him some whisky, at the depot in Georgetown, and he became ugly drunk.

SHUT DOWN FOR THE SEASON.

The "Old Taylor" Distillery, the property of Messrs. E. H. Taylor, Jr. & Sons, located just across the Woodford county line, closed down on Monday for the season. This was the last distillery in operation and its close will throw several revenue men out of employment.

This house makes the celebrated brand of whisky (known all over the United States), "Old Taylor," and the corporation owning it have led in the fight for straight goods, bottled in bond as against rectified, blended and generally spurious whisky.

DEATH OF ABLE JUDGE.

Judge Chas. S. French, of Winchester, formerly Common Pleas Judge of this District, and well known here, died at his home in that city, on Monday, aged 77 years, of the infirmities of age.

Judge French was an able, upright and conscientious judge, revered for his sterling character as lawyer and Christian gentleman. He had a large circle of relatives in this county. He was a devout Christian, and has gone to his reward after a well spent life.

SELLS HOUSE AND LOT.

Mrs. Chas. J. Matthews sold her house and lot, on East Main street, on Monday, to Mr. Frank S. Haff. The price paid was a good one, but is withheld for the present.

A little life may be sacrificed to an hour's delay. Cholera infantum, dysentery, diarrhoea comes suddenly. Only safe plan is to have Dr. Fowler's Extract of Wild Strawberry always on hand.
